Um... Eh..
How awkward

May I ask .
What is your relationship with the King?
Why do you have that ring...?

Dominic!
Have you not wondered why among your brothers,
You are the only one with a fiancée?
Eh, my name...?
Of course I know.
I know how many brothers you have.
I know that you will become the King's first successor.
I also knew that one day, along with Yohan-gun, you would come to my house.

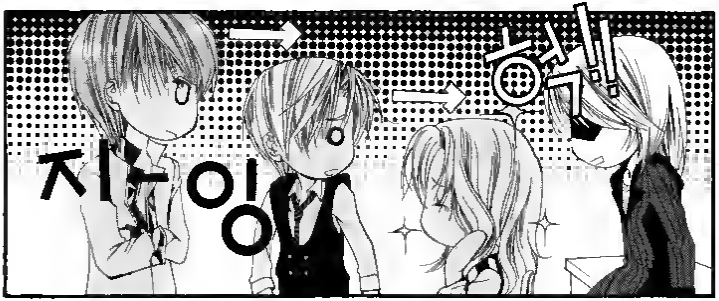
This is a story from a long time ago.
Back then I lost my husband.
And used up all the savings and such to raise Saeju I did any work I could.
챙그랑-
Ah –!! I'm so sorry. I'll clean it...
You can leave that.
What?
You no longer need to come here.
Manager –

You looked alright, so I hired you,
But why are you such a useless woman?
타박
타박
Darling...
훌쩍
훌쩍
No, I can't be like this! Saeju will worry when she sees me.
슥슥

Saeju, I'm home~
Don't come in so suddenly! You surprised me!!
Wonwoo (Yoona)
me
How was school? Was it fun?
...It's the same.
Don't be like that and talk to me~
Why don't Wonwoo and Yoona come over these days?

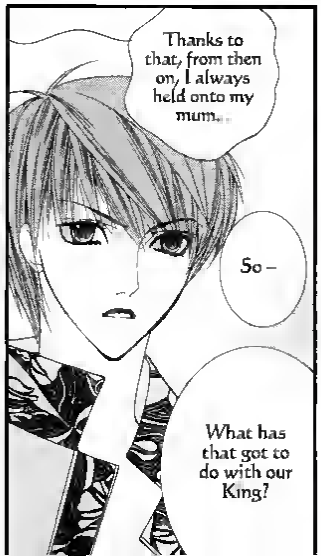
타
I TOLD YOU EVERYTHING WAS ALRIGHT. BUT WHY ARE YOU BOTHERING ME?!!
I WISH THAT YOU DISAPPEARED!!

...
Why are you digging up the buried past?



헉!!
지난일

Saeju, how can you say that –?
Wait, wait a moment, I was only in 7th grade back then –
And children sometimes say things like that,
We never mean it
마당
마당



Thanks to that, from then on, I always held onto my mum...
So –
What has that got to do with our King?

I was so sad then
I wandered everywhere
So the moment I saw that dark river...
YOU CANNOT DO THAT!!
KYAH!!

That is how
I came to meet the King
...
Do you guys have a handbook at your planet?
When we wish for you guys to appear, you don't, and -
The truth is
I ran away too

I fought with my brothers to become the King's successor.
Do you see my right eye?
With this eye, I can see my future after I become king,
as well as parts of my children's futures.
The King's seal.
This is the proof of the King,
Thus I knew how cruel becoming King was,
And so without knowing, I ran away.

I DON'T WANT TO BECOME KING!!
I DON'T WANT TO PASS THIS FUTURE ON TO MY CHILDREN!!
Didn't want to become King..?
Why..?
It was almost like a movie
But it wasn't hard to believe him
The King showed me snow

Snow coming down during the middle of summer...
It was so beautiful.
From then on, we...
STOP!!

You're not about to say that you fell in love? Mum –
If it's that obvious, of course it's the truth ♥
But...
No, I'll remember you,
but I won't be able to love you any longer
Once I return to the main castle,
If that's the case, it's better for us to say goodbye here.
Your Majesty –
I won't be able to remember you
I am going to trust you with a precious item.

This is what I made with all my strength in the condition of becoming the King that I did not wish to be
This will become a gift to my beloved children,
And something that you also need
Dommic. Once that child comes here,
He will fall in love with your daughter.
I cannot see the future for the Earthling Saeju, but...

Since our love was unfulfilled, let us fulfil it through our children.
Okay.
So, that is how you two became engaged ♥
N-...
No way!!
THAT'S A SHAM! WHAT THE HELL?!
IF YOU GUYS COULDN'T MAKE IT WORK, WHY PASS IT DOWN TO US?!!

Saeju, do you hate me that much..?

Ugh! No!!
THAT'S NOT IT –!!
WHO SAID I HATE YOU?!
It seems that the mystery has been solved, yet it's a bit weird.

The King you speak of is of considerable difference to the King I know,
It's almost like hearing about somebody else.
His eyes held no emotion upon looking at anyone

Not even for his sons or his wife
His eyes were as cold a stone on the side of a road...
...
I am going to put my trust in Dominic.
Although he may seem weak, he has a very strong heart.
If it is that child, I believe that he will be able to succeed in what I could not.
... I believe so too.

There may still be hardship to come,
But if it is that child,
He will definitely make the choice you wanted

Something
Something smells odd but pleasant
Yup~

What is this?!
A petal...
A petal?!
벌떡
Have you woken up, Saeju-nim?
WHO ARE YOU PEOPLE?!!
Eh?

Where am I?
Is this really my room?!
탁
Ah, Saeju-nim! You have awoken.
Regina Puella!
Regina Puella!

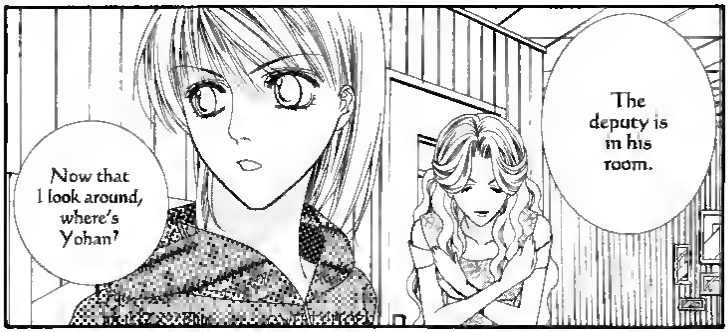
!!
What happened?

Saeju~♥
Good morning
I'll introduce them, Saeju.
This is the maid that looked after me since I was born
Yohan Sebastian Junior,... Even you...
These people prepared us breakfast~
Mum, you look comfortable.
Be blessed, Regina Puella!
What the hell does Regina something whatever mean?!

Regina
(Queen)
That is the only word you ought to know
Once this is all finished hundreds of servants will escort you to the main castle.
Then you will become a beautiful queen.

Ah -
Is it like that?!

So then that Regina means Queen
*Regina = Queen
Puella = Girl:
What they call women who will become queen



Now that I look around, where's Yohan?
The deputy is in his room.

I'm coming in -

Ugh!!

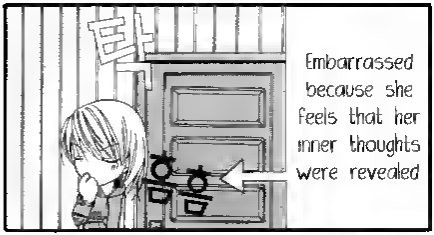
Saeju-nim,
Peace, Regina Puella!
Even here::

Good morning, Saeju-nim

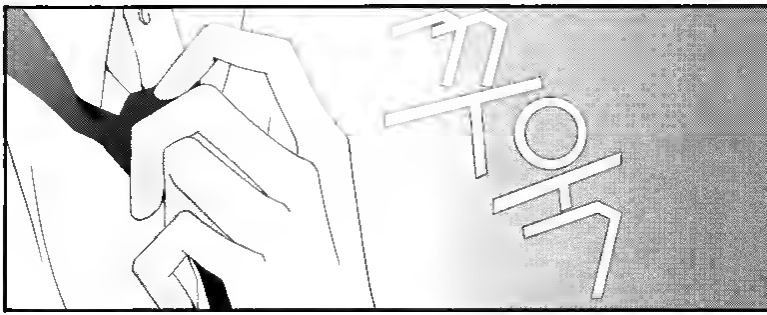
Ah -
Again
But I don't feel the distance like before
I understand
Who are all these people?
Since they will be serving you, I brought them here to acquaint them to their master
Be comfortable and use them as your own hands and feet
This actions are first...
That... Is not easy

Looking at him
I understand that those people think it's normal to be served by other people
NeueSans-LightItalic12
Introduction
Couldn't he do his hair himself?!
But...
Those women ++

You can go out now,
I'll do the rest



Embarrassed because she feels that her inner thoughts were revealed



What...?
He's in a good mood this morning.
But then again...
He should be happy, seeing that something he wanted happened.

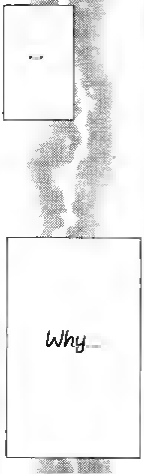
But do you know that?
I won't follow you
Even if I do follow when I become the Queen, you and me will have to say goodbye
Are you okay with that?

Will you...
Still be happy...?
At first, wearing this Earth clothing was difficult,
But now—
It's quite okay.

Today will be the last day,
That we can speak so comfortably

It's been fun, almost like a dream
I'm really thankful to you

You will become a beautiful Queen, you –



...
Why...

Tears are suddenly...

What?!
What?! You
Eh?!
Eh-?!
Petal.

OH?
OH?!

I... I thought you were trying to kiss me.

Must have been from the bed.
WHAT? WHERE?!
It's not there anymore.
...

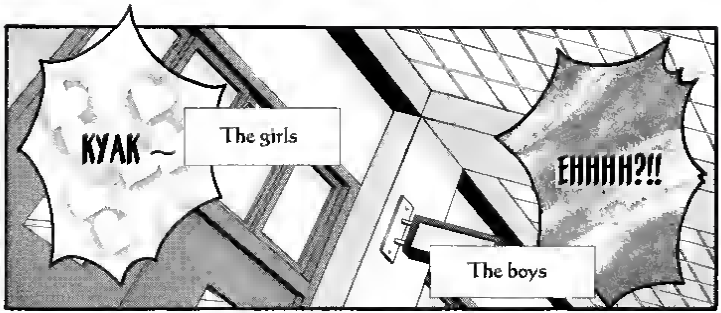
HUH?!

I'm going down –
Come down and eat breakfast.

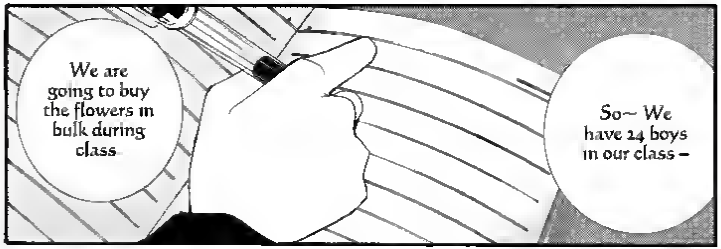
Okay
...
I almost kissed her -!!
Do I not have any self-restraint?
I can't do anything. If she looks at me like that

So loveable -
I'll stop
I have to get rid of these emotions
If I don't treat her like the person I am to serve.
These emotions seem like they're going to overflow, but I must keep them locked up well.

It's hard but not impossible
Yes I can do that.
So,
IT'S DECIDED ON THE MEETING! WE, 11TH GRADERS WILL ORGANISE OUR OWN DANCE PARTY.
WAAAAAA!!
I guess things like this happen.
Dance party.
Kukuku, and there is also another condition...
ON THAT DAY, THE BOYS WILL GIVE A ROSE TO THE GIRL THEY LIKE TO ASK FOR A DANCE!!

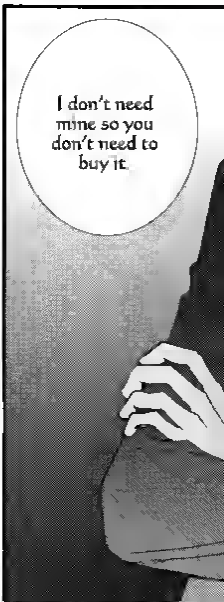


KYAK ~
The girls
EHHHH?!!
The boys



We are going to buy the flowers in bulk during class
So~ We have 24 boys in our class –

Take one out



I don't need mine so you don't need to buy it.

I'll lock it up for sure.

This feeling -!!

A diary of troublesome adventures
Chapter 25

I don't need mine, so you don't need to buy it
.....
But...
This is an entire grade event so—

I said...
I don't need it.
Eh –
If he doesn't want to, just let him be
It's a waste of a flower

What the hell -?
What's with him?!
He kissed me out of his own accord and now
바직 바직 바직 바직
Is he saying that he now has nothing to do with
But
The fact that he doesn't need the flower means that if he did, he would've given it to me.
Hm..
Realisation!!
No!
I don't like this thought!!
Complicated mind.

Yohan-hyung, you're stupid .
Stupid...

하하하하

I learned how to play when I first came to Earth, and it's pretty fun.
If there is a card on the ground that is the same as the one in your hand, then you can take it.
Eh? I don't have one of the same picture?!
Then it's me? There are plenty I can take ~
Kyah – Mummy was going to take that!!
Ha ~ Please call me a genius
Prince-nim, you're going to lose to Saeju-nim ~
What...

Are you...
Doing?
쌰느릉
쩡
후다닥
Wow – everyone's suddenly so serious.
Don't be so cold!
Not like you'll be here for much longer.

It's good to enjoy our remaining times ~
What?
It's nothing.
Why are you dressed like that?
I'm going to the main castle
I have to report back.
And there are some things I need to take care of
There are still things left to do?

...Dominic-nim!
After this, you will really be the King
Yup –
I plan to order hyung around lots, so be ready
Haha –
...

Then,
I shall go...

Huh?
...Ju –
Saeju –
Ahh –
YUP, SINCE THE SCARY GUY WENT AWAY, LET'S PLAY.
Whoever loses buys lunch!!
하하하
Will things be okay like this?

I haven't even told Won yet.
Is it okay for me to part with him like this?
If I let him go like this...
Will I truly be able to forget him?!
I don't know...

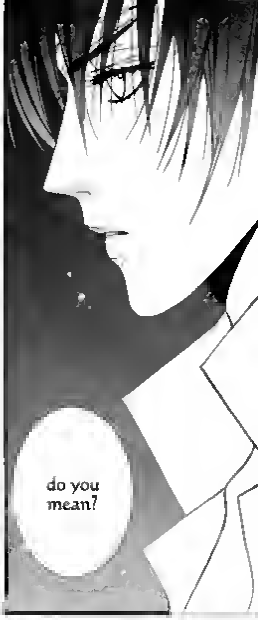
Not long ago, I was fighting for the throne with my life on the line.
Isn't a request like that too audacious?
Yohan –
That's why I'm here asking you like this.
How's Nokia?
Not so good.

When you fell into your condition, it was because you broke your earring.
So, reviving you shouldn't have been too hard.
But Nokia...
It could only restore her breath.
Reviving a body that once died can't be easy, but –
Yes
What is that earring you have on?

It's temporary
Since people have eyes
When I was young, I used to think that strong power was everything
But having a weak side isn't all that bad
I'm here visiting my friend to ask for a favour
He just emphasised 'friend', the cunning bastard!
Help me, Kayan.

I want to find the missing first prince
He may be missing,
But he hasn't specifically said whether he gave up throne or not.
If we ignore that, then when Dominic-nim becomes King, there may be problems arising.
Even without that, there are many who are not happy with the situation...
If it's you, who has the palace knights under your command, it shouldn't be too hard finding that person.

If we don't find that person and get a definite answer, a proper ascent to the throne becomes difficult.
Will you help me, Kayan?
Okay. It's not too hard
But, Yohan!
If it was me, I would give up making Dominic King.
You're still saying things like that...
If you truly wish for his happiness.

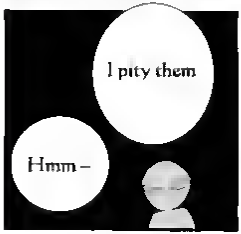


I thought that it was good I gave up the throne after discovering this not long ago.

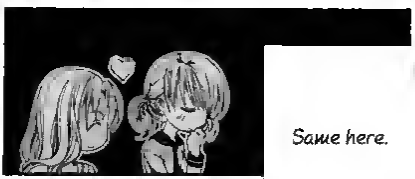
What it means to become King...
Do you want to know the truth?

Mum, if...
That King person asked you to come with him, would you have gone?
Well,
I wouldn't be against it...
Hmm ~
BUT THAT GUY ALREADY HAS TWO WIVES?!
HE HAS SIX KIDS AS WELL?!
HE'S A WOLF IN SHEEP'S CLOTHING!!

Having lots of children is a responsibility of being a King
They say there are lots of cases where they marry just to have children, and even stole their siblings' children



I probably wouldn't have followed him... No matter what he said...



I can't even imagine leaving my mum alone to follow those guys
Besides -
Saeju!!
Let's play that card game again. ♡
부빅
부빅
Eh?
What are you doing?

It would've been nice if you really were my brother.
Won!
I have something to tell you...
Don't –
Huh?
Don't tell me
I have no intention of asking Saeju for an answer in a rush

So let's just stay like this for a little longer.
I
Don't have much time before I enter my second puberty
After that, I will be as big as Yohan-hyung
When that time comes, I'll propose to you formally

Whether you accept or reject me, do it then.
Okay!
Are you looking forward to getting bigger?
I'll be bigger than Yohan-hyung.
. . Isn't that a little too big?

Can I sleep with you?
You still haven't got over that habit —!!
That's what happened.
I... I can't sleep.
Why is he so late if he only went to report back.
Has that slave guy not come back yet?
Haha, why am I waiting for him?

Huh?
What?
He was already back?
You,
If you're back, tell...

What...
Are you okay?

Not long ago,
Remember what your mother said?
That His Majesty didn't want to become King -
I've... discovered why.
Damnit...
I...

I DIDN'T CHOOSE DOMINIC-NIM AS THE SUCCESSOR TO MAKE HIM LIKE THAT!!
...!!
It is his obligation to sacrifice everything for the happiness of the people.
To become a King that can make fair and precise choices. They are deprived of all their memories and emotions.
That is the initiation to become King.

After that all that is left is 'information'
Their own wife children
Favourite books music even the beloved bird
Hold no meaning like a torn piece of paper
You can't even call that a living human being
Which destroy the mind and body, halving the life expectancy of the King.
Also, to make sure that the lost memories and emotions don't resurface, they are to take drugs,

In all, it didn't matter who became King
It was the Anarchia's choice.
Even the fight between siblings holds no meaning.
That the reason why Kings change so frequently.
It is only the foolish act to choose the sacrifice.

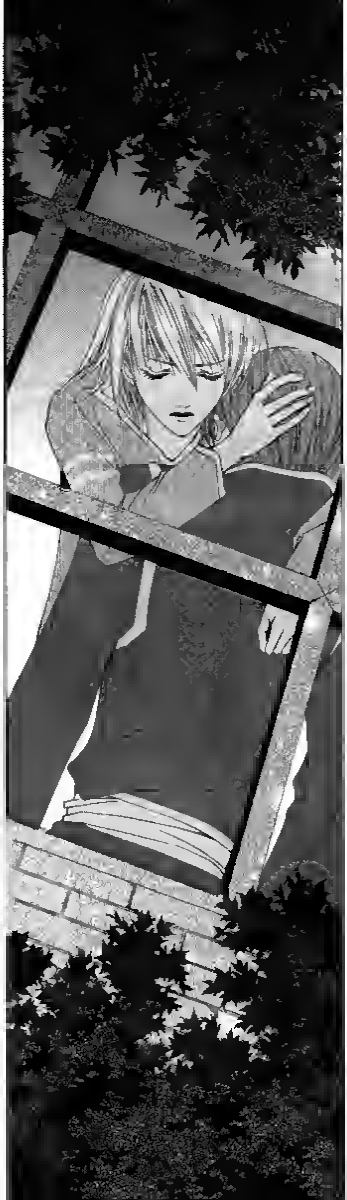
Shin...
Yohan-?!
Dominic-nim...!!

Anarchia.
The child to choose the future!
To choose the person I want to be King, and create the world I want.
That was pride and hope.
My past, present, and future were all there.

But it shattered.
They were all lies.
It held no meaning.

What is it that
I've lived my life
for until now?

I...
.....
What do I do?
To think that he was crying like this.



Why!

Why are you crying ...?

Yohan-hyung, are you back?
탁

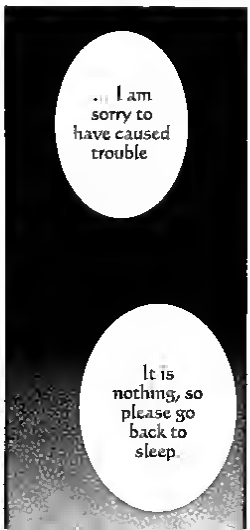
I heard a loud noise
What happened?
YOHAN-HYUNG?!
Are you crying?!
Why, hyung?
What happened?

The throne... Please withdraw.
What?

What happened at the mam castle?
Are you really Yohan-hyung?
If not, are you trying to make someone else King?
—!!
That's right Even if Dominic-nim surrenders someone has to become King
Will I be pushing that burden onto someone else -?

To someone...
One mistake is enough.
I don't ever want to doubt you twice
You might not think I'm ready right now.
But wait and see. I'm different from before.

That world hyung always wanted,
I'll create it for you.



... I am sorry to have caused trouble
It is nothing, so please go back to sleep.

But, hyung...
I am very sorry. I was just tired...
I would like to rest.
Ah~ Okay.
What the hell?! He was just crying
Pretending like that never happened.
Then rest well, hyung.
Have a good night.

I hope Saeju-nim...
Has good dreams.

He pushed me away
I wanted to hear what happened -
Still.
Do I only mean this much to you...?

.....
멍~~
I don't feel like I slept.
통통
Eh? Are you cooking today? Where did all those people go?
I don't know. Mummy woke up and didn't see them
Hmm~

Is the slave bastard up?
Well~~ I don't think so.
That guy, he's low on morals.
Why don't you go up, and wake Yohan-gun?
EH? ME?
Yup, please!

Is he still sleeping?
He's really sleeping
It was annoying how he always woke up early and got ready by himself
.....

I thought that you liked me too..
But it seems that I don't know..
What I mean to you
Are you just going to keep looking at me?
Why was he crying...
So miserably?
Is it something you can't tell me?

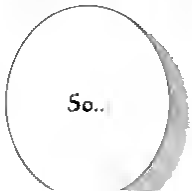
THE HEROINE
파닥
I didn't know when to open my eyes
You should have said something if you were awake

I had a good dream.
Everything was dark, and there was no light.
I didn't know where to go,
Or what to do. I was struggling, but...
You told me to come back.

Because we have a reason to live...
Because you will need me from now...

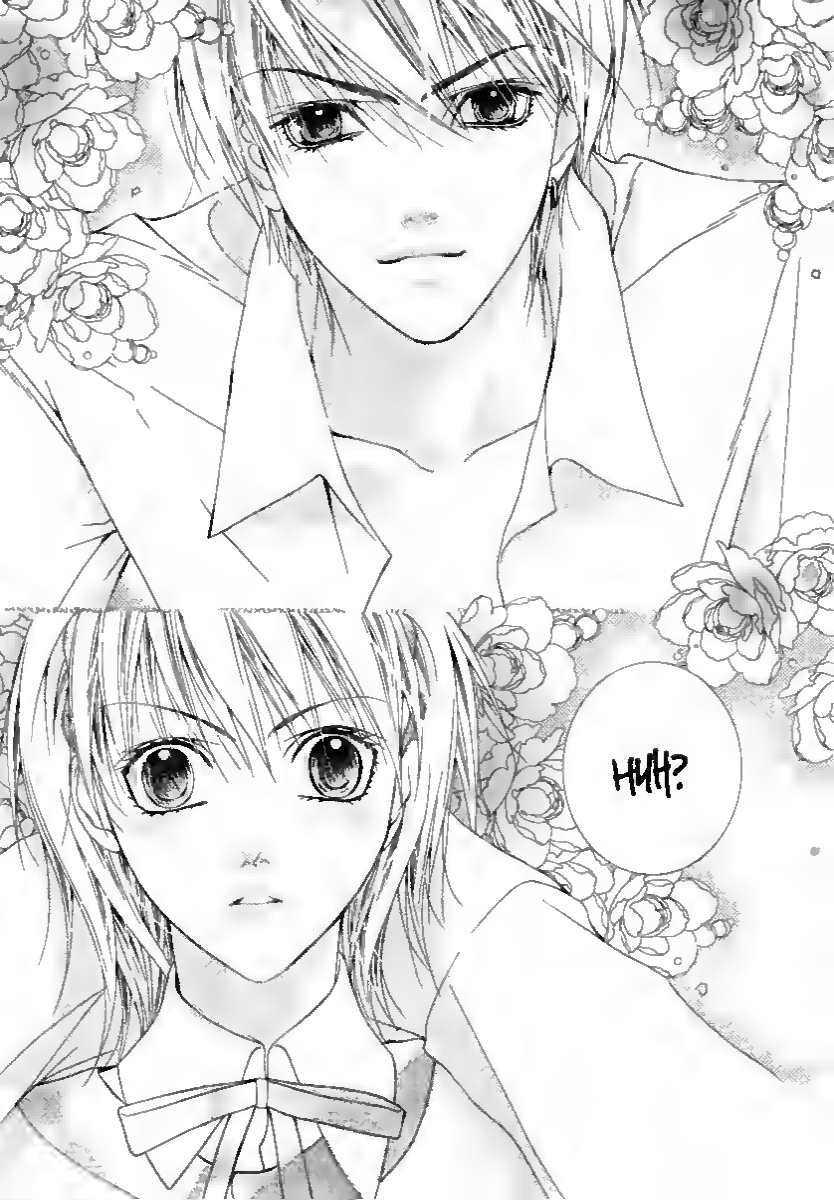
That's what I said to you?

Yes.
That's what happened.

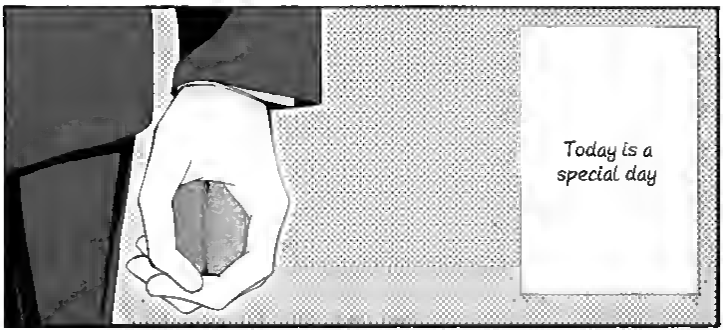


So..

How are you going to use me?



HUH?



Today is a
special day

Today I'll confess to the girl I've always liked

She's pretty as a kitten with a small face and a slim body
Can you call me Gu Seju?
Such a popular girl might not even look at people like me But...

I can't give up without trying!!
철
퍼
덕

Thanks my friends!!
I'll try my best

Are you the one who called me?
She's here!!
The real person!!
Do you know me?
Why did you call for me?
Ah, you see
This is a necklace made with your birthstone

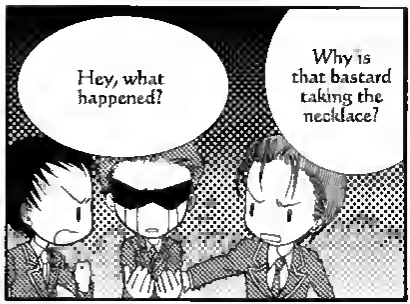
So...
What I want to say is .
Will you be my partner for the festival?
Eh?
Hmm~
Looks like the proposals on Earth are similar to ours.

Among the girls..
..rumors sure get around !!
Birthstone... You have good style.

Damn he's really good looking.
He's like a moving doll.
Like this?
That's not a bracelet, it's a necklace!
Does it suit me?
Hmm, yeah.
Okay.
Then, I'll take this.

I'll buy Saeju something way better,
So don't worry

Then –
Ugh!!

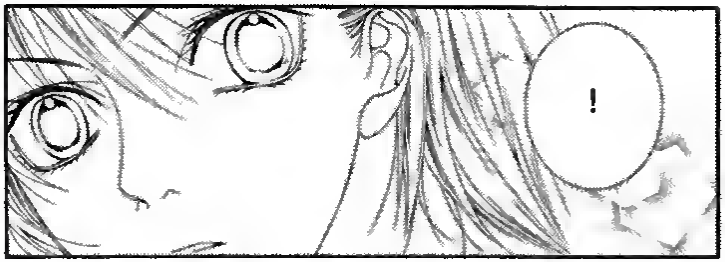


Hey, what happened?
Why is that bastard taking the necklace?

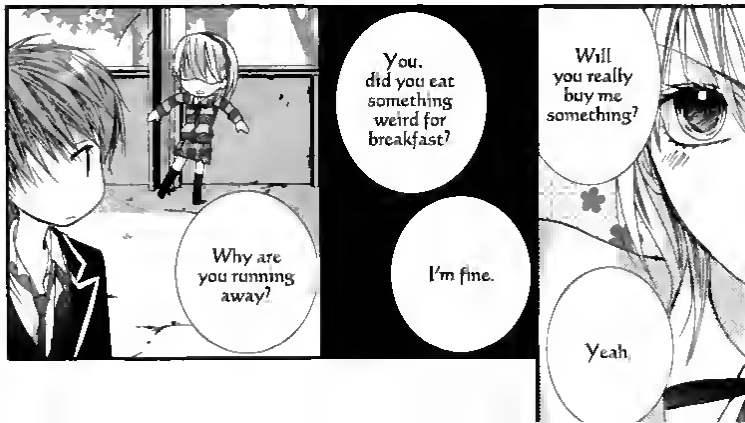
He took it and he's wearing it
WHAT?!

Don't worry too much.
If it was because of Shin Yohan, no one will say anything if you give up
Is that supposed to make me feel better?!
Hey! Why are you throwing it away?!
He gave it to me.
Because I'll buy you another one

Don't accept things like that from other guys



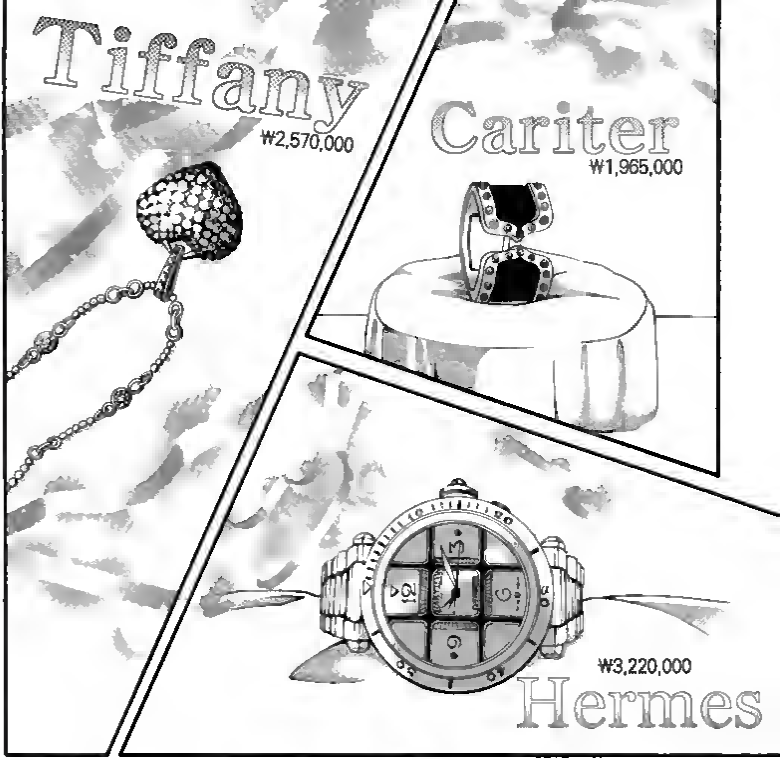
!



You, did you eat something weird for breakfast?
Why are you running away?
I'm fine.
Will you really buy me something?
Yeah

I'll get you everything you want

Christian Dior
₩5,920,000



Tiffany
₩2,570,000
Cariter
₩1,965,000
₩3,220,000
Hermes

Thank you.
NO~ NO~ HE CAN'T BE BUYING ALL THESE!!

WHY ARE YOU ACTING SO DIFFERENTLY?!
A high school student in uniform in broad daylight buying all these brands...
YOU'RE COMPLETELY DIFFERENT FROM A COUPLE OF DAYS AGO!!
Then...
Besides, isn't Won's becoming a King soon?
I don't care.

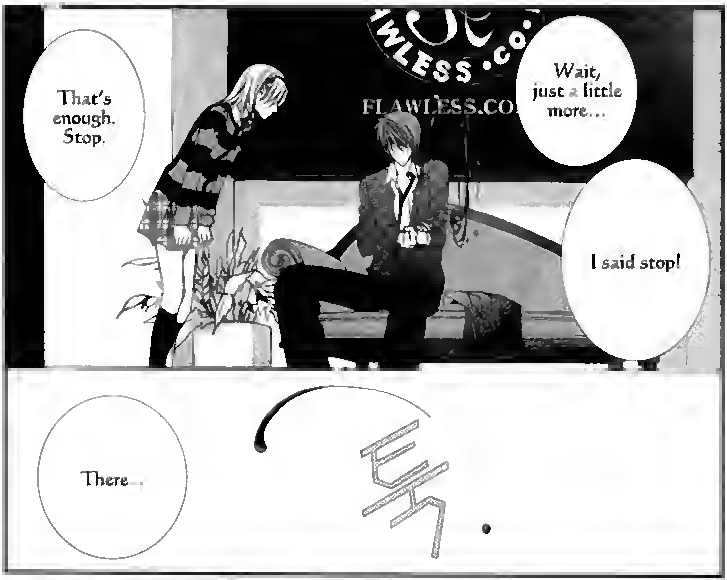
What becomes of him is none of my business
...!

Yeah.
Recently, I'm liking Earth

Should I just keep living with you?

Hmm~
That's not bad
...Are you really?
I...
...have something I want to give you

Ah~ Does so much blood go into making such a small thing?
I'm compressing it.
I thought a drop or two would be all....
The more it's compressed,
The more beautiful it becomes.



That's enough. Stop.
Wait, just a little more...
I said stop!
There...

It's done.
Such a pretty red—
Did he make the other one like this too?
To protect me...

왜
?
Why!
...Don't know I just...
Wanted to..

타
We're outside, in broad daylight –!!
HE NEVER LOSES!
Well, is there really any difference to when you hugged me?
Now I see, your hand seems empty Maybe a ring too...
I'M FINE!
DOES HE WANT TO DIE FROM BLOOD LOSS!!
There's something wrong with this guy...

He did ask Won to withdraw from the throne
Something definitely happened yesterday
Saying that he wants to live at our house and that he doesn't care what happens to the King..
Then
Perhaps
Did he choose
Me?

More important that was his mission..
What are you doing? Let's go back
and his home...
Can I believe him?

Is it okay
to hold
This hand
you placed in
front of me?

Where did you go?!
You disappeared without saying anything –
I was worried!!
Ah, sorry!! It just happened.
But this...
Eh? You bought a necklace? It's pretty.
Was this why you went out?

Were you with Saeju all this time?
Yohan-hyung ..
Yes.
I'm sorry for not telling you.
Then, hyung bought this necklace...?

I thought something more expensive would suit her, but she insisted something made from my blood --
HEY, YOU!!
I think I like Saeju-nim.
—!!

It seems as though I have no reason to further hide my feelings.

A Diary of
Troublesome
Adventures

I think I like Saeju-nim.
It seems as though I have no reason to further hide my feelings.

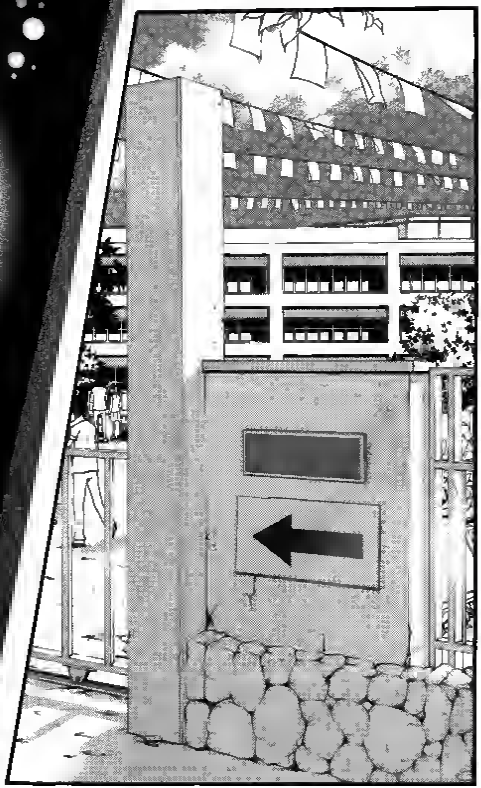
What—?
I already knew that from a while ago
..no reason?
What do you mean by that?
Excuse me, I will be retiring to my room.
WAIT! I WAS ASKING YOU WHAT YOU MEANT!
Why—!?
Won ..

You have no idea,
How much that tires me.
REALLY, THAT SIDE OF YOU—!
—!!
DON'T CRY OVER SOME-THING LIKE THIS!!
HEY! SHIN YOHAN!!

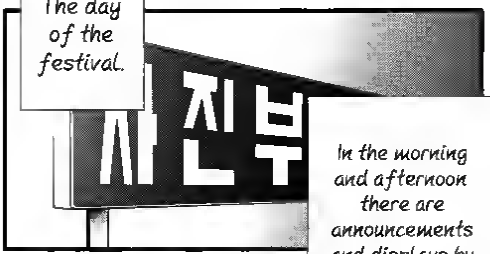
What...
What is it...?!
Did I do something wrong?
Why is he suddenly...
No, Won! You haven't done anything wrong.
No one did anything wrong.
But someone has to be hurt

Why is it that liking someone is always like this?

Why couldn't everyone be happy...?



The day of the festival.



In the morning and afternoon there are announcements and displays by various groups.

But everyone seems to be waiting for the last event, the dance party.
Saeju♡♡
척척척
WHERE ARE YOU GOING, SAEJU?!

Could you please just carry half of that for me~?
It was so hard doing the dance party and decorating the hall~
Whenever you greet me, you always want something from me
And besides, on the day of the festival, I don't want to be close with the class rep
Aww~ Saeju! You have no idea how much I love you, yet you say such things...
There's Wonwoo, and then Won-oppa...
Everyone's looking forward to it
Of course~ We have lots of pretty young boys at our school.

And Haru ♥
Ah, yup
pause
But why didn't Yohan come?
He even said that he didn't need a rose!
He must be really busy!
I don't know where he disappeared to, but I haven't seen him since morning

It can't be that he's not coming, right?
The girls will be really disappointed.
Ah! We can stop here.
Class rep!
Thanks Saeju. Take a picture with me when you finish changing, okay?
THIS IS AN ANNOUNCEMENT.
THE DANCE PARTY WILL BEGIN AT FIVE, SO COULD THE SECOND YEAR STUDENTS PLEASE GET CHANGED AND MAKE THEIR WAY TO THE HALL.
What—?
I'm the one that's the most disappointed.

Saeju~
Kyah~! Won-oppa is soooo cute!!
Can I take a picture with you, Won?!
LAUGH

I look good?
Yes, like a prince.
When did you buy this?
You really are cute
I AM A REAL PRINCE
Come on, Saeju, get changed.
Let's go~
Let's go~
The siblings are holding hands and going to the change rooms?!
What weird siblings.
But I'm envious~

탈의실
Saeju, you ready?
I'm ready...
But I'm troubled with my hair.
If they were longer, I could do something with them~

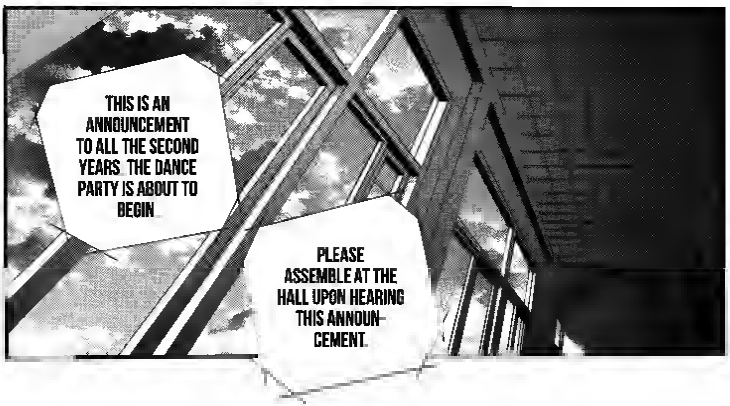
Hmm, maybe the hair and the dress don't match?

No~ No~ It's fine!!
Perhaps I should've bought a wig...
Does it bother you that much?
Yup.
ㅜㅜ
I think you look fine,
But if Saeju doesn't like it...

Here–
Wow~ How did you do that?
Ehem
That's very easy.

Do you like it?
nod nod
You look very pretty, Saeju--
Really.
I want to take you to the palace and show you off to everyone!!
Show off the person I like.

Should I take you to the palace right now?



THIS IS AN ANNOUNCEMENT TO ALL THE SECOND YEARS. THE DANCE PARTY IS ABOUT TO BEGIN.
PLEASE ASSEMBLE AT THE HALL UPON HEARING THIS ANNOUNCEMENT.

...AND I REPEAT, THE...
I was just joking
Let's go.
Don't make that face

Won!
I really do like you
But as friends
As my little brother

When you give me your hand like that, I keep thinking of how I held his hand...
But still, will I have to wait for your proposal?
Although I already know what I'll say...

Wouldn't it be better for you to turn your heart around a day earlier?
The music's playing
But everyone is awkward
Here-
Ahh~ Thankyou, Wonwoo~!
Then, everyone-
Let the second year dance party begin!!
Will you dance with me?
Of course ♥

So natural.
That's the thing with couples

Stepping on my foot as soon as we start is cheating.
Sorry sorry~
Ahahahaha
It's also natural.
That's the thing with siblings (?)

Everyone was courageous
Hayeon!! Will you...
Minju!

Wow– This looks like a real dance party now!
I'm glad that everyone got use to it.
But–

I'll call you,
So have your phone with you.
Haru–
Why isn't he calling?
But...
Even if he comes, I wouldn't be able to dance with him.
mutter
mutter
If I did something like that, I would be murdered.

뚜르르르
Hello?
COME OUT TO THE BACK DOOR.
The back door?
어기
엉금엉금
타닥타닥
Eh? Animal costume?

여기야~
It's me.
HARU?!
Why are you wearing...?
I borrowed it from someone I know.

I can't dance with you if I'm not wearing this. If someone finds out--
But I can't let an opportunity like this pass.
So, here–

I wanted to wear nice clothes and make this a good memory... I apologise for being like this.
Will you still dance with me?
snort
아하하하

오하하하하
That reaction...
...wasn't that too harsh?
아하.
Sorry, sorry.
You don't have to feel sorry, Haru.
Right now, to me,
You look like a prince.

Hara, hyung, I hate you!!
Why do we have to be here!!
If someone saw us, don't you think they'll say this?
?
Disney's 'Beauty and the Beast'.
Ahahaha~

While Haru and Shina are having fun in the hall...
The first song ended.
Waiting for my chance...
Saeju!
Saeju! Dance with me–
ENOUGH!
I'm not dancing anymore.
WHAT?! WHY?!
'cause my feet hurt.
But you've only danced once with Won.

If I knew it'd hurt...
Saeju–
With this, can I dance with you a 100 times?
What's with all these flowers–?
I bought them from a flower shop outside school.
Eh?

Gives one flower → dance to one song
Has 100 flowers → dance 100 times.
푸ㅅ
?
Really~
Won!!
What will I do with you?!
ㅋㅋㅋㅋㅋ
?
These cute things~
100 times? Fine! I can do that.
Let me test(?) my endurance
She said that her feet hurt so she wasn't dancing anymore~

Well–
Now.
?
.....
Look over there.
Wow–
I thought he wasn't coming...
This is my first time seeing him in person.

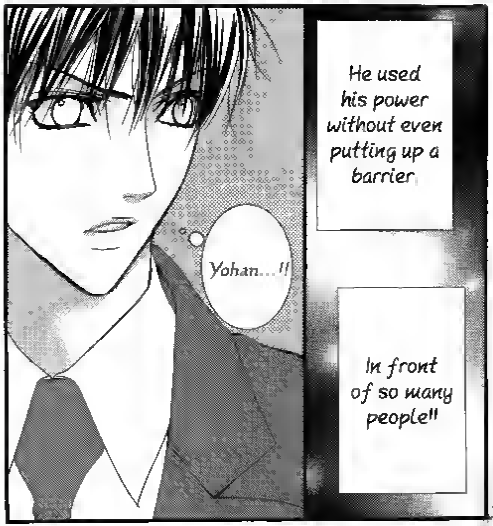
He's really good looking–
Without telling anyone to make way everyone parted on their own
...I can tell without having to even look.
The only person to garner this much attention from everyone...

Could only
be him

YOU'RE LATE-
Yohan-hyung
What were you doing coming so late...?
It's not polite to look at a woman before she's ready,
Since women want to show themselves at their best
I did predict this-

But you look so much prettier than I imagined –
He's going into his cheesy mode
WELL, THANKS
BUT YOU'RE PRETTY TOO
Pretty?

Could I ask for a dance?
Haven't you…
Forgotten something?
The flower.
Ah…
A rose–
Okay.
탁
파삭

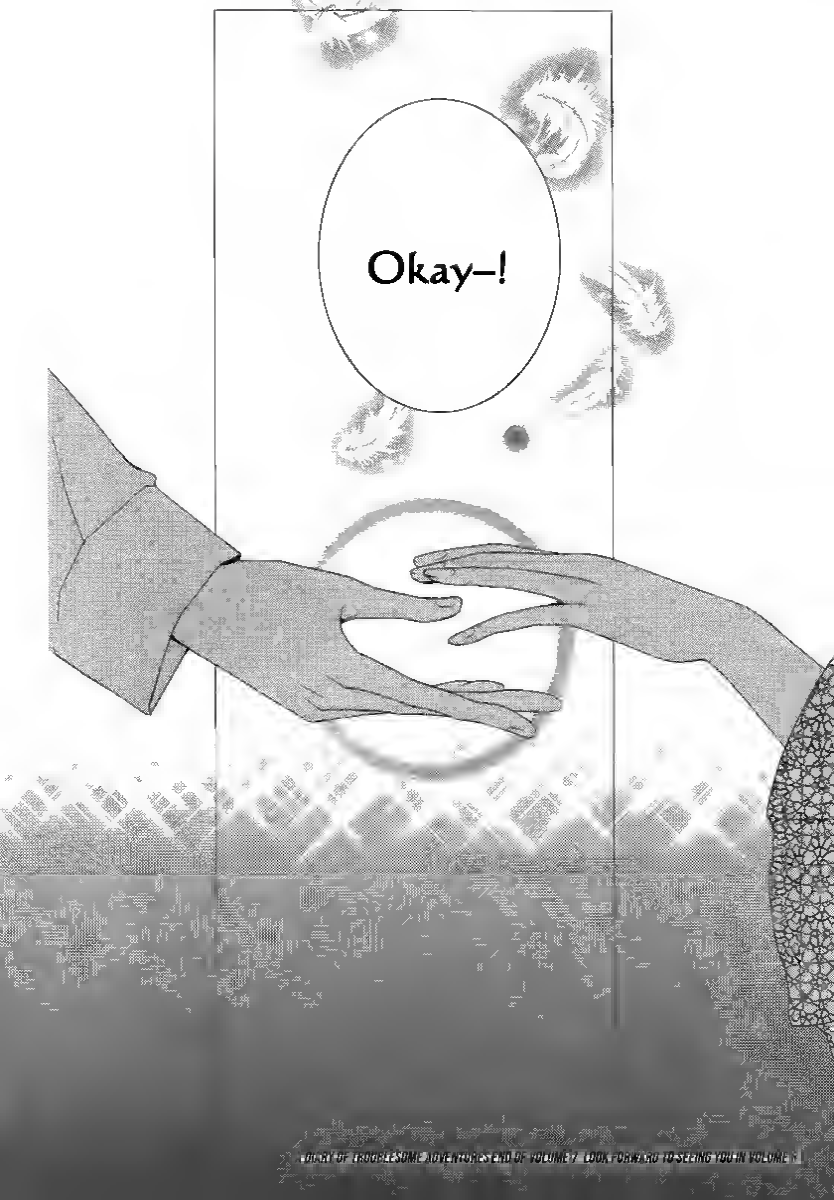


Ah–

The petals...

Are only falling on Saeju!!
What is this?
Magic?

Isn't this enough...
To ask for a dance?



Okay–!

There is No Function Like That!!

Come out Shin Yohan, over–
Ah!! Ah!!
...WHAT IS IT?
The last time I called your name to the necklace, you came.
So I was wondering whether I could use it instead of a mobile phone
What are you doing?
...A bath.
...this doesn't have a video camera?
Hey...!!
